Dear Parent or Guardian:

The purpose of this letter is to notify you about important information regarding your child's school and how its Title III funding is used.

Per NRS 388.4077, the board of trustees of each school district shall post annually on its Internet website information on the manner in which the school district uses money received pursuant to Title III of the Every Student Succeeds Act of 2015, 20 U.S.C. §§ 6812 et seq. Please review the information below regarding how Title III funds are used at our school.

School Specific Actions

Silver Sands Montessori Charter School is using allocated Title III funding to:

Increase family engagement through parent meetings where information and resources are shared. Teachers will receive additional training and resources to help support our EL students. The supplemental interventions, supports and materials will develop and increase students' academic, verbal, vocabulary and language skills. The interventions are supported by evidence-based research as effective in increasing students' English proficiency and acquire content knowledge and comprehension skills.
